VIRTUAL PROGRAMMING

Due to the volatile nature of COVID-19 and the unpredictability of its spread, Delta Sigma Theta has made the decision to hold all events and meetings virtually. We are excited to build community with Delta GEMS participants from afar. Applications are now being accepted for the 2020-2021 academic year.

WHAT IS DELTA G.E.M.S?

DR. JEANNE L. NOBLE DELTA G.E.M.S INSTITUTE

The Jeanne L. Noble Delta G.E.M.S. Institute is a national signature program of Delta Sigma Theta Sorority, Incorporated for high school age women aimed to create goal-oriented and community minded young women by actively engaging them in monthly subject-based workshops and community events within the greater Chapel Hill area. Each subject-based workshop is focused on equipping these young women with tools for success in the classroom and beyond. Previous workshops have included: college/career planning, healthy living, body image, healthy relationships, financial literacy, social media etiquette, and more.

Theorists throughout history have identified adolescence as a particularly challenging time for adolescent girls. Therefore, it is the goal of the Chapel Hill Carrboro Area Alumnae Chapter to be of service to our girls in this most critical time.

Program Goals:

- To instill the need to excel academically
- To provide tools that will enable our GEMS to sharpen and enhance their skills and achieve high levels of success
- To assist our GEMS in proper goal setting and planning for their futures
- To create civic-minded young women to impact and uplift their community
